Physician General Rehabilitation

**Are you looking for a job that is challenging
and rewarding?**

The Waikiki Private Hospital is the only private provider of health care in the Rockingham area. The facility is a 45 bed acute medical/surgical hospital, with 10 – 20 beds allocated for a restorative health care service.

The successfully applicant in association with the multi disciplinary team will provide specialist medical and restorative health care services in the domain of the private health care system.

The Waikiki Private Hospital is an equal opportunity employer.
